From the District Governor

Looking Forward to Connecting With You in Our New Rotary Year

By Jim Squire

Rotary Connects the World is the theme selected by Rotary International President Mark Maloney for the new Rotary year we have just entered. To me, that is a theme that should resonate personally with all Rotarians. In fact, I view this as a very personal year, not just because I am so honored to be your District Governor and am excited about the prospects of what we can do as we Connect With Rotary in District 6900, but also because the theme emphasizes what Rotarians do best; reaching out and touching and Connecting the members in our clubs in fellowship, the citizens in our community in service, the clubs in our District in collaboration, and the world in compassion. Rotary Starts with Relationships

By Mark Barbour

What is FREEDOM all about? Alternatives? Choices? Decisions? Options? Opportunities? Preferences?
All synonyms for our ability to consider what our new Rotary Year will become and accomplish when we reflect at the end of next June about what we actually achieved in our Clubs, District, and Internationally in the name of Rotary. [more]

The Rotary Foundation

Celebrating OUR Rotary Foundation

By Cheryl Greenway

As we start another new Rotary year, I have to reflect on all the good work that is done through OUR Rotary Foundation.The legal name may be The Rotary Foundation but it is Our Rotary Foundation. Why you ask? Because we, the Rotarians, decide on how the money donated to the Foundation is used. Not a committee and not an executive director and not a board of directors. Money donated to the Foundation is only paid out for District Grants, Global Grants, PolioPlus Grants, Disaster Relief, and Global and Peace Fellowships. [more]

District Conference Update

Re-Connect with Jekyll Island for the D6900 District Conference

By Lauri Young

Rotary does, indeed, connect the world and our district conference connects our Rotarians. We are excited to be bringing the conference back home to Georgia from April 30 to May 3, 2020. Plan to join old friends and new for a weekend of Rotary fun and fellowship. If you haven't been to this Georgia jewel in a while, you are in for a treat. From the beautiful, state-of-the art oceanfront conference center to beautiful new hotels within walking distance of the conference center to a charming beach village full of shops and restaurants, Jekyll Island has come a long way. PLUS, the traditional favorites remain…the historic district, Sea Turtle Center, golf courses and tennis facilities. You won't want to miss this chance to see it all! [more]

GRSP Update

Get Ready to Welcome the GRSP Class of 2019-2020 ... and Take a Look Back

By Lynn Clarke

This is a good time of year to take a look at your student's "suitcase" to be sure that they have the things that they need to make their stay in a dorm a pleasant one. It is very easy to just recycle everything that your student from last year had, but it is a gift to your new student to take a look at what you have and throw out a few ... [more]

The Rotary Club of Metro Atlanta Comes To Life

In May, the Rotary Clubs in District 6900 welcomed the 71st club, **The Rotary Club of Atlanta Metro**, to its District 6900 family. The ceremony for Rotary International charter 90000 took place at the Donaldson-Bannister Farm in Dunwoody and was attended by then District Governor Court Dowis, fellow Rotarians and Rotaract Club of Atlanta members. PDG Court inducted many of the attendees and read 2018-2019 RI President Barry Rassin's beautiful letter of encouragement and support.

It has become apparent that once Rotaractors turn 30, they become uncertain of their decision on whether they are keen on joining Rotary, mainly because of the age gap between them and the already accomplished professional members. Another discouraging aspect is the high annual dues, as someone starting in their career path might feel the financial push back.

In his message to the extended worldwide Rotary family, current RI President Mark Daniel Maloney urged and stressed the importance to conform to the rules that the organization has been adapting to for years. Yet, he encouraged and pushed leaders to be more creative in their individuality of how each club retains and attracts new members. This is one of the many important reasons that the Rotary Club of Atlanta

Metro was established.

The Rotary Club of Atlanta Metro was created to resolve some of the issues that Rotaractors in the district faced. The idea behind this new club is allowing members to take part dually in both clubs until they are at the age where they can easily advance into Rotary. The core of the club will continue to push for vocation coupled with fellowship and service whilst championing these Rotary mottoes. Whether it is helping others in their communities or working on international relief projects, this is what pushes Rotary members towards that happy ending or shall we say an amazing start.
