

Magic of Rotary

Thank You District 6900

By Gordon Owens

We do so many great things in our district and it has been fun to witness a good bit of it first hand. From spending time in your communities, doing service projects and supporting your fundraisers we have certainly seen the *Magic of Rotary* in action this year. Thank you for your hospitality as we visited your clubs. We shared some wonderful meals together and you always helped us find a good local beer after the hard work of Rotary was done for the day. While we are looking forward to a less hectic schedule next year, don't hesitate to continue to invite us to come serve with you. On behalf of Ashley and me, thank you again for an irresistible year in Rotary! [more]

Congratulations!

Sheffield Award Winners

By Gordon Owens

The single hardest task a governor in our district has may be picking the Sheffield Award winner. We have 67 clubs that do amazing work in their communities that are all lead by great Rotarians. So, picking just one person in each category takes a lot of careful consideration. This year we had a scoreboard to drive the decision on Club of the Year but The Sheffield Leadership Award has much more to do with an individual effort in setting a club up for success today and carry that club well into the future. Congratulations to Rick Perry of Henry County (Cat I), Rick Clark of North Fulton (Cat II), Dudley Larus of Decatur (Cat III) and Nancy Alterman of Roswell (Cat IV) on being named this year's Sheffield Leadership Society inductees.

Roswell: Turning 20% into 84%
 By Kathryn Igou
 Getting all your Rotary Club members to engage has always been a struggle. The saying goes that usually 20% of your members do 80% of the work. When 2024-25 Roswell Club President Nancy Alterman was planning for her year, she specifically focused on engaging the entire the entire club in service. Was it the bunny shirts? The diversity of projects? The fun factor? The flexibility? It was all that and more, and the club has moved that 20% to 84% participation this Rotary year. [more]
